Southeast Ministry, a joint ministry of Church of the Reformation and the Metropolitan Washington, D.C. Synod, provides a ministry of hope for over 500 men, women and children a year. In the southeast part of D.C., SE Ministry operates a GED preparation program, the Anacostia Mentoring and Employment Network (AMEN) Job Readiness training, an Ex-Offender support group, and an after school literacy and literature program for disadvantaged children.

### Historic Renovation of Finnish Mission

This Gift of Hope will help the Evangelical Lutheran Church in Namibia renovate and develop an historic, 1870 Finnish mission in Omandong, northern Namibia. The renovation will honor its origins and attract visitors to the area. The immediate need is to fence the area and begin reconstruction of the small chapel.

Two Lutheran bodies—ELCIN (Evangelical Lutheran Church in Namibia) and ELCRN (Evangelical Lutheran Church in the Republic of Namibia)—cooperatively support a Lutheran Seminary in Namibia and each also sustains other educational and economic projects to improve life and livelihood and to meet spiritual needs of the Namibian people.
